

MAIL STOP PATENT APPLICATION
Attorney Docket No. 24414YA

REMARKS

The above amendments have been made to the specification to make reference to the earlier filed applications as shown in Attachment A.

The amendments to the claims, in Attachment B, have been made to further prosecute the claims of the parent application. The claims have been limited in accordance with the group elected in response to the Restriction Requirement in the parent application merely to expedite prosecution of this subject matter. The cancellation of previously non-elected subject matter is not intended to preclude applicants from recapturing this subject matter in additional divisional applications

Respectfully submitted,
